Conditions for Athletic Financial Aid

I understand that in order to qualify for this financial aid, I must:

- Fulfill the admission requirements of The University of Toledo, and
- Meet and maintain the eligibility requirements for athletic participation and financial aid established by the NCAA, the Mid-American Conference, and The University of Toledo.

NCAA regulations restrict the total amount of financial aid a student-athlete may receive. If I receive a state grant or other scholarship or financial aid, I will notify the Office of Student Financial Aid. Those funds may be used to replace a portion of my athletic grant-in-aid in order to meet NCAA and conference regulations.

I understand that any amount awarded for room or board expenses (on or off campus) and personal expenses are taxable according to the IRS and that I am responsible for reporting these scholarship dollars as taxable income, if I am required to file a tax return. (Please refer to IRS Publication 970 at www.irs.gov for more information.)

My financial aid will not be increased, reduced, or canceled during the period of this award on the basis of my athletic ability, performance, or contribution to my team's success, because of an injury or illness which prevents me from participating in athletics, or for any other athletic reason.

I understand that the amount of this award may be immediately reduced or canceled during the term of this award if:

- I become ineligible for intercollegiate competition (e.g., less than full-time enrollment each term, academically ineligible, noncompliance with NCAA/MAC rules, or noncompliance with any eligibility requirements in NCAA Bylaw 14).
- I fail to comply with the terms of agreement as outlined on my National Letter of Intent, MAC Letter of Intent, University of Toledo Tender of Athletic Grant-in-Aid, NCAA Student-Athlete Statement, individual team policies, training, work and competition requirements.
- I engage in serious misconduct, which brings disciplinary action by The University of Toledo.
- I voluntarily withdraw from my sport for personal reasons. Should I withdraw from my sport, my aid may be reduced or canceled on or after the date I withdraw, as specified by my coach on the Aid Cancellation Recommendation form.

I also understand that this aid must be reduced or canceled if:

- I violate NCAA amateurism regulations (Bylaw 12.1).
- I accept money for playing in an athletic contest.
- I receive other aid that causes me to exceed my individual limits.

I also understand that my aid may be subject to non-renewal upon completion of my undergraduate degree/graduation.

If your athletically related financial aid is reduced or canceled for any reason, you will be notified in writing. You will be provided an opportunity to appeal before a committee outside of the Athletics Department. Procedures and a deadline by which you must request an appeal will be provided to you.
